Clinical Payment, Coding and Policy Changes

We regularly augment our clinical, payment and coding policy positions as part of our ongoing policy review processes. In an effort to keep our providers informed, please see the below communication of upcoming new policies.

Effective for dates of service beginning October 1, 2019:

Evaluation and Management Services – Multiple Evaluation and Management Service on the Same Day

According to our policy, which is based on CMS guidelines, only one evaluation and management (E/M) code is allowed for a single date of service for the same provider group and specialty, regardless of place of service.
