Clinical Payment, Coding and Policy Changes

We regularly augment our clinical, payment and coding policy positions as part of our ongoing policy review processes. In an effort to keep our providers informed, please see the below communication of upcoming new policies.

Effective for dates of service beginning 11/1/2020:

Psychotherapy and Electroshock Therapy

According to Kansas Medicaid guidelines, psychotherapy and electroshock therapy (90870) cannot be performed on the same date of service, regardless of the provider, therefore will be denied.
