

# Provider HEDIS® Training Webinar Series

## You're invited to attend our free HEDIS webinar series

### The goals of the series are to:

- Educate about HEDIS measure specifics
- Explore ways to reduce the burden of medical record review and maximize administrative data capture
- Present NCQA HEDIS reporting codes that will help effectively capture care provided
- Discuss HEDIS measures applicable to certain populations
- Encourage open discussion to learn how other providers are addressing HEDIS and barriers to care
- Develop strategies for improvement
- Connect you with a single point of contact at the health plan for HEDIS/Quality questions.

Be sure to check your inbox for monthly invites and class registration information.

Please cascade this information to other staff that may benefit from these free webinars.
