

**OhioRISE Care Management Entities (CMEs)** serve as the go-to providers delivering wraparound care coordination for children and youth enrolled in OhioRISE who have the most complex behavioral health needs. CMEs also help ground and grow their communities' system of care so overall resources expand to help kids with behavioral health needs and their families in the coming months and years.

CMEs: complete CANS assessments and provide care coordination to many of the youth people enrolled in OhioRISE. CMEs also:

- Complete CANS assessments
- Have regular communication with OhioRISE enrollees and their family/caregivers
- Advocate for OhioRISE enrollees and their families/caregivers in meetings, such as those with school, juvenile court, with mental health providers, etc.
