Formulary

FORMULARY

What is the Aetna Better Health of New Jersey Formulary?

This is a drug list created by Aetna Better Health of New Jersey ("plan"). Aetna Better Health of New Jersey will cover drugs on this list. Some drugs may have coverage rules. If the rules for that drug are met, Aetna Better Health of New Jersey will cover the drug. Drugs must also be filled at an Aetna Better Health of New Jersey network pharmacy.

Can Aetna Better Health of New Jersey's Drug List change?

The plan may add or remove drugs on the list. All drug removals from the formulary will be sent to the state for review before the change is made. Utilizing members and their providers will be notified at least 60 days before a drug is removed from the formulary. All changes to the formulary will be posted on the plan's website.

How do I use Aetna Better Health of New Jersey's formulary?

- **Column #1:** lists the covered drug. Brand drugs are in upper case letters (e.g., DRUG). Generics are in lower case letters (e.g., drug).
- **Column #2:** lists the brand name of the drug when a generic is covered
- **Column #3:** shows coverage rules for the drug

Drugs are also grouped by the type of condition they treat. Drugs used to treat an earache are listed under the section, Ear-Nose-Throat Medications. If you know what your drug is used for, please look for that section name on the drug list. Then look under that section for your drug.

FORMULARY

What are some types of coverage rules?

- **Prior Approval (PA):** This means your doctor will need to get approval from the plan first before the drug can be filled at the pharmacy. If it is not approved, the plan will not cover the drug.
- **Quantity Level Limits (QLL):** This means there is a limit on the amount of drug the plan will cover. For example, the plan provides 60 pills in 30 days for some drugs.
- **Step Therapy (ST):** This means you may need to try certain drugs first to treat your condition. After the first drug is tried, the plan will then cover the other drug for that same condition. For example, Drug A and Drug B may treat your condition. The plan may not cover Drug B unless you try Drug A first. If Drug A does not work for you, then Drug B will be covered.

What if my drug is not on Aetna Better Health of New Jersey's formulary?

First, please call your doctor and ask if your drug is covered. If the plan does not cover the drug, then:

- Ask your doctor for a similar drug that is covered.
- Your doctor can ask the plan to cover your drug through the prior approval process.

What are generic drugs?

Aetna Better Health covers both brand and generic drugs. Generic drugs cost less and are approved by the Food and Drug Administration (FDA).

Are Over-The-Counter (OTC) drugs covered?

The plan will cover OTC drugs on the formulary. Some OTC drugs may have coverage rules. If the rules for that OTC drug are met, the plan will cover the OTC drug. Like other drugs, OTC drugs need a prescription from a doctor if they are to be covered by the plan.

¿Qué es el formulario de Aetna Better Health of New Jersey?

Es una lista de medicamentos creada por Aetna Better Health of New Jersey (el “plan”). Aetna Better Health of New Jersey ofrece cobertura para los medicamentos de esta lista. Es posible que para algunos medicamentos se apliquen reglas de cobertura. Si se cumplen las reglas para esos medicamentos, Aetna Better Health of New Jersey los cubrirá. Además, los medicamentos deben adquirirse en una farmacia de la red de Aetna Better Health of New Jersey.

¿Puede cambiar la lista de medicamentos de Aetna Better Health of New Jersey?

El plan puede agregar o quitar medicamentos de la lista. Todas las eliminaciones de medicamentos del formulario se enviarán al estado, donde se revisarán antes de que se realice el cambio. Los miembros y proveedores que utilizan el formulario recibirán un aviso como mínimo 60 días antes de que se elimine un medicamento del formulario. Encontrará todos los cambios del formulario en el sitio en Internet del plan.

¿Cómo utilizo el formulario de Aetna Better Health of New Jersey?

- **Columna Nº 1:** enumera los medicamentos cubiertos. Los medicamentos de marca aparecen en mayúscula (por ejemplo, MEDICAMENTO); los genéricos aparecen en minúscula (por ejemplo, medicamento).
- **Columna Nº 2:** enumera los medicamentos de marca cuando una opción genérica está cubierta.
- **Columna Nº 3:** muestra las reglas de cobertura de los medicamentos.

Los medicamentos también están agrupados según el tipo de condición que tratan. Por ejemplo, los medicamentos que se usan para tratar un dolor de oído figuran en la sección, Ear-Nose-Throat Medications. Si sabe para qué se usa el medicamento que usted toma, busque el nombre de esa sección en la lista de medicamentos y luego busque el medicamento en esa sección.

- Los miembros que sean indígenas americanos o nativos de Alaska NO tienen copago.

¿Cuáles son algunos de los tipos de reglas de cobertura?

- **Aprobación previa (PA):** significa que su médico primero deberá obtener la aprobación del plan antes de que se pueda adquirir el medicamento en la farmacia. Si no se aprueba, el plan no cubrirá el medicamento.
- **Límites de cantidad (QLL):** significa que el plan cubre hasta una cierta cantidad del medicamento. Por ejemplo, en el caso de algunos medicamentos, el plan cubre 60 píldoras en 30 días.
- **Terapia escalonada (ST):** significa que posiblemente primero deba probar ciertos medicamentos para tratar su condición. Después de probar el primer medicamento, el plan cubrirá el otro medicamento para la misma condición. Por ejemplo, el Medicamento A y el Medicamento B pueden tratar su condición. Es posible que el plan no cubra el Medicamento B a menos que usted primero pruebe el Medicamento A. Si el Medicamento A no funciona en su caso, entonces se cubrirá el Medicamento B.

¿Qué sucede si el medicamento que tomo no está incluido en el formulario de Aetna Better Health of New Jersey?

Primero, llame a su médico y pregúntele si su medicamento está cubierto. Si el plan no lo cubre, usted tiene dos opciones:

- Pida a su médico un medicamento similar que esté cubierto.
- Su médico puede solicitar que el plan cubra el medicamento a través del proceso de aprobación previa.

¿Qué son los medicamentos genéricos?

Aetna Better Health of New Jersey cubre tanto medicamentos de marca como genéricos. Los medicamentos genéricos cuestan menos y están aprobados por la Administración de Drogas y Alimentos (FDA).

¿Los medicamentos de venta libre están cubiertos?

El plan cubrirá los medicamentos de venta libre que figuren en el formulario. Es posible que para algunos medicamentos de venta libre se apliquen reglas de cobertura. Si se cumplen las reglas para esos medicamentos de venta libre, el plan los cubrirá. Al igual que con otros medicamentos, se requiere una receta del médico para que el plan brinde cobertura para los medicamentos de venta libre.
