ISSUE DATE January 24, 2024	EFFECTIVE DATE January 24, 2024	NUMBER 99-24-01
SUBJECT Medical Assistance Program Vaccine Desk Reference	BY  Sally A. Kozak, Deputy Secretary Office of Medical Assistance Programs	

IMPORTANT REMINDER: All providers must revalidate the Medical Assistance (MA) enrollment of each service location every 5 years. Providers should log into PROMISe to check the revalidation dates of each service location and submit revalidation applications at least 60 days prior to the revalidation dates. Enrollment (revalidation) applications may be found at: <https://www.dhs.pa.gov/providers/Providers/Pages/PROMISe-Enrollment.aspx>.

PURPOSE:

The purpose of this bulletin is to issue the Medical Assistance Program Vaccine Desk Reference.

SCOPE:

This bulletin applies to all providers enrolled in the Medical Assistance (MA) Program that may administer vaccines to MA beneficiaries in the Fee-for-Service (FFS) delivery system or in the managed care delivery system. Providers rendering services to MA beneficiaries in the managed care delivery system should address any coding or rate-related questions to the appropriate MA managed care organization.

BACKGROUND/DISCUSSION:

The Department of Human Services (Department) provides coverage to children and adult MA beneficiaries for certain vaccines, including but not limited to all vaccines recommended by the Advisory Committee on Immunization Practices. The Department has issued separate bulletins about MA coverage of individual vaccines and their administration. In order to provide an integrated resource for providers to use when billing for the administration of vaccines in the MA Program, the Department has developed an MA Program Vaccine Desk Reference.

COMMENTS AND QUESTIONS REGARDING THIS BULLETIN SHOULD BE DIRECTED TO:

The appropriate toll-free number for your provider type.

Visit the Office of Medical Assistance Programs website at

<https://www.dhs.pa.gov/providers/Providers/Pages/Health%20Care%20for%20Providers/Contact-Information-for-Providers.aspx>.

The desk reference allows MA enrolled providers to view Current Procedural Terminology Codes (CPT) and Code Descriptions open on the MA Program Fee Schedule that are used for the administration of vaccines. The MA Program Vaccine Desk Reference will be updated when new procedure codes for the administration of vaccines are added to the MA Program Fee Schedule or there are updates to the current procedure codes. The desk reference will be available on the “Medical Assistance for Providers” webpage at: <https://www.dhs.pa.gov/providers/Providers/Pages/Medical-Assistance-for-Providers.aspx>.

PROCEDURE:

MA providers may bill the MA Program for the administration of vaccines using the CPT codes identified in the MA Program Vaccine Desk Reference. Billing instructions and additional Information about specific MA-covered vaccines can be found using the bulletin search which is available on the Department’s website at: <https://www.dhs.pa.gov/docs/For-Providers/Pages/Bulletin-Search.aspx>.

MA providers may also bill the MA Program for vaccines for MA eligible beneficiaries by indicating, on the claim submission, the appropriate National Drug Code and the units dispensed for the vaccine. Providers can access the Pharmacy Services Covered Drugs Search Tool at the link below: <https://www.humanservices.state.pa.us/CoveredDrugs/CoveredDrugs/Index>.

Providers are reminded that they may not bill or receive payment from the MA Program for the cost of a vaccine or its administration when it is available through other sources.
